C³-155 Cleansing Toilet Seat
Quick-Start Guide (Icons as seen on control panel)

1. As you sit
   - **Heated Seat**
     Tap *seat temp* to adjust seat temperature
   - **Deodorizer**
     Carbon filter automatically traps odors to help keep the space fresh
   - **Stainless Steel Cleansing Wand**
     Wand rinses itself before use and is automatically cleaned with UV light every 24 hours

2. As you use it
   - **Side Panel Control**
     Control your experience by pressing the icons
   - **Warm-Water Cleansing**
     Tap *rear* (a) or *front* (b) to begin cleansing
     Tap *wand* (c) to move water position forward/backward
     Tap *stop* (d) when you feel clean
   - **Water Temperature & Motion**
     Tap *water temp* (a) to adjust water temperature
     Tap *pulsate* (b) to adjust water stream
   - **Warm-Air Dryer**
     Tap *dryer* (a) to activate dryer
     Tap *dryer* again to adjust speed
     Tap *stop* (b) when you feel ready

3. Additional Features
   - **Nightlight**
     Makes it easy to find the toilet in low light conditions
   - **Quiet-Close™ Technology**
     Stops the lid from slamming
   - **Quick-Release™ Hinges**
     Allow the seat to be unlatched for easy removal and cleaning
   - **Grip-Tight Bumpers**
     Help prevent shifting
