**C³-430 Cleansing Toilet Seat**
Quick-Start Guide (Icons as seen on remote and control panel)

1. **As you sit**
   - **Heated Seat**
     Tap `seat temp` to adjust seat temperature
   - **Stainless Steel Cleansing Wand**
     Wand rinses itself before and after use with clean water and is automatically cleaned with UV light every 24 hours

2. **As you use it**
   - **Hand-Held Remote**
     Control your experience by pressing the icons
   - **Warm-Water Cleansing**
     Tap `rear (a)` or `front (b)` to begin cleansing
     Tap `wand (c)` to move water position forward/backward
     Tap `stop (d)` when you feel clean
   - **Water Temperature & Motion**
     Tap `water temp (a)` to adjust water temperature

3. **Additional Features**
   - **Nightlight**
     Makes it easy to find the toilet in low light conditions
   - **Quiet-Close™ Technology**
     Stops the lid from slamming
   - **Quick-Release™ Hinges**
     Allow the seat to be unlatched for easy removal and cleaning
   - **Grip-Tight Bumpers**
     Help prevent shifting
   - **Users Presets**
     Program your preferences for a preset, personalized experience every time
